

CARBON REDUCTION PLAN CERTIFICATION

WolfLabs

CarbonMark certifies that WolfLabs has successfully completed a Carbon Reduction Plan for the reporting period of January 1 to December 31, 2024, as part of its commitment to achieving Net Zero by 2040. This plan aligns with the GHG Protocol Corporate Standard and includes Scope 1, Scope 2, and all relevant Scope 3 categories. It also meets the requirements of PPN 06/21.
