

UB-T-90 ◀ 059 cm ▶

Safe and approved storage of flammable hazardous substances in working areas

Function / construction:

- **robust construction and longevity:** body made of powder-coated sheet steel
- **easy handling with comfort:** door stops in any position, self-closing in the event of fire
- **user-friendly:** access to all containers, 135° opening of the wing door, interior of the cabinet completely visible
- **no unauthorised use:** door lockable with cylinder lock and locking state indicator (red/green)
- **mobile:** castors with plinth (optionally available), easy moving of the cabinet
- **ventilation:** integrated air ducts ready for connection (DN 50) to a technical exhaust system

Available equipment

- shelves with load capacity of 75 kg
- perforated insert useable as storage area
- bottom collecting sump

Safety storage underbench cabinet

UB-T-90 model UB90.060.059.T

in Light grey (RAL 7035), interior equipment with 1 x perforated insert, 1 x bottom collecting sump (sheet steel powder-coated)

Order No. 30481-001-33763

castors with plinth

stable – easy moving of the cabinet

safe fixing of the cabinet – integrated locking mechanism

flexible – height adjustment to various laboratory furniture

Recirculating air filter system

Avoid complex wall breakthroughs and expensive extraction piping.

Especially designed for the lower pressure conditions and volume flows of underbench cabinets.

Further information from page 395

Order No. 27144

(housing unit optional)
