

Great value magnetic stirrers

The HI-180 is a compact and lightweight magnetic stirrer which incorporates electronic controls to allow the user to regulate stirring speed with precision.

Equipped with the Hanna Speedsafe system, the HI-180 ensures that the safe maximum speed is never exceeded.

Main benefits

- Neat round-edged base
- Small and compact - great for use where space is limited
- Built to last - glass-free chemical housing resists damage from accidental falls
- Safe stirring speeds guaranteed using Hanna Speedsafe technology
