The air is continually circulated internally to ensure that where ever product is placed inside the cabinet, it stays within range. There is no internal 'step' and the interior is hygienic stainless steel making it easy to clean and stock. The 8 heavy duty shelves are fully adjustable and more shelves can be purchased as an optional extra. The robust doors are independently lockable and for increased security and convenience are self closing.

The cabinet is fitted with heavy duty, lockable castors making it easy to manoeuvre and clean behind which means this Advanced Pharmacy Refrigerator is ideal for demanding environments.
