medical & scientific refrigeration

RLPR0517 Sparkfree Refrigerator

The Labcold Sparkfree range is engineered to store flammable materials safely with no sources of ignition inside the chambers. Anything that could cause a spark is located outside of the chamber.

Warning: Do not store open containers of volatile substances in this fridge.

For extra security all sparkfree models are fitted with a built in lock and digital temperature display. The display features high and low audio and visual temperature alarms as standard in addition to a door open alarm.
